EDUCATION

Institute of Engineering & Technology

Lucknow, India

Bachelor of Technology in Electronics and Communication Engineering

CGPA: 8.2 / 10

Aug 2019– June 2023

EXPERIENCE

TechGeekers: <https://techgeekers.com>

Duration: 2 months

- Worked as a frontend developer intern
- Build few pages using HTML, CSS and JS, fixed minor bugs, made site 25% more responsive

PROJECTS

Movie Recommendation App:

- Designed a movie recommendation app using web scraping, it suggests top 5 movies according to the mood you have chosen.
- Scraped the Imdb website to present the user with top movies they would prefer to watch.
- **Tech Stack:** Python | Tkinter | BeautifulSoup | Github

Face Recognition App

- A team project wherein we developed a face recognition system that predicts faces of the students from pictures with an accuracy of almost 70%.
- We used CNN/ReLU, machine learning and deep learning concepts.
- **Tech Stack:** Python | Google Colab | ML | Numpy | Pandas

Recipe web App:

- Created an app that presents you with 3 or more recipes with respect to your preference or the ingredients you have mentioned in search bar.
- It loads data from an API with over thousands of indigenous and international recipes.
- **Tech Stack:** JavaScript | HTML | CSS | Github

SKILLS

Strongest Areas: Data Structures and Algorithms, C++ STL

Languages and Technologies: C++ | JavaScript | HTML/CSS | Python | GitHub | Linux | MATLAB | MySQL | RestAPI | OpenCV

Platforms: Windows | Visual Studio Code | Google Colab | Linux

Course Works: OOPS | Data Communication and Networks | Operating System

Position of Responsibility:

- Coordinator at **Robotics** club of IET Lucknow.
- Member of IET Whiteboard, the media body of IET Lucknow – helped in development of official site using WIX.
- Campus Ambassador of IET Lucknow for LearnForCause, an ed tech company that provides technical training

ACHIEVEMENTS

- 3 Star on **CODECHEF** (Max Rating 1736) ([navya 1802](#)).
- Newbie Level **CODEFORCES** (Max Rating 1364) ([navya 19](#)).
- **LEETCODE** (Max Rating 1371) ([navya 18](#))
- Qualified Google CodeJam 2022 Qualification Round ([Codejam](#)).
- Top performer of the Newton's Grand Coding Contest 2022, and securing 1359 rank.
- Reached Finals of E-Yantra, a robotics competition held by IIT Bombay in 2021.
- Secured 4th rank in [Inspiration Quiz](#) organized by IEEE NSUT
- Solved 1000+ Problems on various platforms like **Codechef Codeforces Leetcode Spoj Atcoder GFG**.
